*“Créer des émotions est notre passion, les réaliser
est notre mission”*

N O S V A L E U R S

PASSION & DESIGN

Chaque objet que nous pensons et concevons a une histoire à raconter. La mode entre dans la maison et Vesta est une marque qui mélange trois ingrédients principaux: le design italien avec un fond de mode, l'éco-durabilité et une pincée d'émotion, mettant pleinement en valeur les cinq sens de la vie.

MADE IN ITALY

Grâce au processus d'industrialisation, l'entreprise se développe continuellement en utilisant des machines de haute et nouvelle technologie. Les productions sont toutes réalisées en interne.

FONDAMENTALES

SENTIMENT ARTISANAL

Grâce à ses collaborateurs, qui sont véritables maîtres artisans, Vesta allie leur savoir-faire aux technologies modernes dont elle dispose. L'habileté manuelle et le savoir-faire artisanal sont les atouts de l'entreprise, qui est en constante évolution et expérimentation.

DURABILITÉ

Utilisation de matériaux éco-durables issus de déchets de transformation recyclés et de sources bio-attribuées avec une empreinte carbone réduite.
